**CALLING ALL VOLUNTEERS!**

***Solari Hospice Care Seeks Compassionate Volunteers in Las Vegas Area***

**Las Vegas, Nev. – Sept. 22, 2011** – Are you looking for a truly rewarding experience to bring comfort and joy into someone’s life? Solari Hospice Care is seeking caring, concerned individuals in the Las Vegas area to help brighten the lives of terminally ill patients and their loved ones. Volunteers serve in a variety of capacities -- providing companionship to patients, sharing favorite hobbies (such as reading or playing music), doing light chores, running errands and offering respite to family caregivers. Volunteers are also needed to assist with receptionist and other clerical duties at our inpatient facility located at 5530 South Jones Boulevard, Las Vegas.

“Volunteers are at the heart of our program,” says Shari Diebold, Solari Hospice Care Volunteer Coordinator. “They continually tell us what a meaningful experience it is to work in hospice. Even doing the smallest, simplest things can have a huge impact on the lives of our patients and their families.”

Solari Hospice Care is devoted to helping people live with dignity and comfort by providing trusted and professional hospice care in the Houston and Las Vegas communities. Focused on enhancing the quality of life for patients and their loved ones, Solari’s exemplary team of physicians, pharmacists, registered nurses, certified nursing aides, social workers, administrative staff, counselors and volunteers are specially trained to offer the most compassionate and comforting care designed for each patient’s unique needs.
